

**SRI DEVARAJ URS ACADEMY OF
HIGHER EDUCATION AND RESEARCH**

(A DEEMED-TO-BE-UNIVERSITY)

KOLAR – 563 101

ANNUAL REPORT

Part-I

2013-14

(01-04-2013 to 31-03-2014)

*Declared under Section 3 of UGC Act, 1956, MHRD GOI No.F.9-36/2006-U.3(A)
Dt. 25th May 2007*

At a glance this logo is abstract, yet it contains the vital ingredients for an institution like Sri Devaraj Urs Academy of Higher Education and Research, Tamaka, Kolar.

The institution's medical background, Humanitarian values, Compassion, Approachability, Social Commitment and the subsequent research towards the most precious thing, the human life, is the core theme.

The graphic form of a person in the centre of a bud represents the humanity. It denotes the growing process of life and its existence. And the two hands safeguarding them show the care and a sense of security. It is also capable of holding something within the vast expanse of knowledge by the University for the People's benefit. Hence, the motto "Knowledge for Posterity" is very appropriate and gives a punch in Red. The four light blue half circles (smaller to bigger) depict the unending quest for knowledge and imparting it to a wider horizon, growing higher and higher.

And finally, the whole unit is embedded in a "D" shaped graphic template as background to give it a corporate identity.

COLORS USED:

Deep Blue: Credible, Confident and Dependable. Represents Peace, Tranquility, Stability, Harmony, Trust, Security, Cleanliness and Loyalty

Light Blue: For Sky and Water (color scheme for 4 half circles)

Red: A dominant color for strengths.

Green: For Nature, Health and Generosity. Its cool quality soothes and has great Healing Powers.

As Approved by the Board of Management of The Academy

GENESIS

In **1984** a group of dedicated and like-minded visionaries headed by **Shri.R.L.Jalappa, Champion of Co-operative movement in the state of Karnataka** established Sri Devaraj Urs Educational Trust for Backward Classes to **focus on Medical Education and Social Service.**

The trust started Sri Devaraj Urs Medical College, Tamaka, Kolar in the year 1986. Through this college, the trust sought to make a significant contribution to Medical Education, Research and Health Care to Rural population. The College is situated in Tamaka village (abutting National Highway No.4), 5 K.M. from Kolar Town, Karnataka. Kolar is well connected by road, rail and air due its proximity to Bengaluru, which is 75 K.M away. The nearest Railway Junction, Bangarpet is 15 K.M away from Kolar.

The trust in its stride for attainment of quality in education and health care services to its stake holders has obtained Accreditation by National Assessment and Accreditation Council (NAAC, INDIA) and certification by ISO 9001-2000 in the year 2006 for its Medical College. Sri Devaraj Urs Medical College is one of the few colleges in India to have achieved this remarkable feat.

This inspired The Trust to apply for Deemed University status for this college in the name and style of Sri Devaraj Urs Academy of Higher Education and Research, comprising Sri Devaraj Urs Medical College. The University Grants Commission of India conducted an inspection in April 2007 and after being satisfied about the infrastructure and teaching facilities, recommended to the Ministry of Human Resource Development, Govt. of India to confer Deemed to be University status to this Medical College. Accordingly, the Ministry of Human Resource Development, Govt. of India conferred deemed to be university status to the Medical College on 25th May 2007.

Currently, the deemed university comprises only the medical college. Steps are in progress for inclusion of R.L.Jalappa Institute of Technology, Kodigehally, Doddaballapura (off campus) and Sri Devaraj Urs College of Nursing, Kolar (on campus) under the ambit of the deemed to be university.

About The Academy

Sri Devaraj Urs Academy of Higher Education and Research comprising Sri Devaraj Urs Medical College under the aegis of Sri Devaraj Urs Educational Trust for Backward Classes, Kolar, is a Deemed to be University declared Under section 3 of UGC Act, 1956, vide Notification No.F.9-36/2006-U.3(A) Dt. 25th May 2007, MHRD, Government of India.

Currently, The Academy has Sri Devaraj Urs Medical College, Tamaka, Kolar as the constituent institution. The Academy office and the constituent institution are located at Tamaka village, Kolar and spread over almost 100 acres of lush green campus. This campus is 75km away from Bengaluru city as well as international Airport. The campus has several buildings to accommodate the administrative, teaching/training hospital and hostel facilities of The Academy as well as the Medical College with a total build up area of over 85,000 sqmts. The college conducts medical courses at both Under Graduate (MBBS), Post Graduate (MD, MS) and Post Graduate Diploma levels. It has also started doctoral programmes in Biochemistry, Microbiology, Pathology and Fellowship programmes in Head and Neck Surgical Oncology. The Academy has developed regulations, curricula/syllabi for MBBS, Postgraduate M.D/M.S and Postgraduate Diploma courses as prescribed by the Medical Council of India. All the courses offered are recognized by the Medical Council of India, New Delhi. The college is also recognized by the Malaysia Medical Council and since the academic year 2009-10, thirty five Malaysian students have been admitted to Undergraduate course.

The Academy has started the Department of Allied Health Sciences. The courses offered are B.Sc. degrees in O.T.Technology, Imaging Technology and Medical Laboratory Technology. Postgraduate Diploma in Genomic Technology and M.Phil in Molecular Cell Biology and Medical Genetics.

This medical institution has a unique distinction of being accredited by NAAC India and certification by ISO 9001–2000 and maintains a high standard in teaching learning and evaluation process and the institution has become a byword for quality Medical Education.

The attached teaching hospital of the Medical College, R.L.Jalappa Hospital and Research Centre provides secondary and tertiary health care to the rural and urban population of the Kolar district and bordering areas of the neighboring states of Andhra Pradesh and Tamil Nadu. The Hospital is a boon to the victims of accidents on the highway as it has a well equipped Trauma centre, ICU, CT and MRI as well as scanning facilities. Its mandate is to develop trained manpower of medical professionals to cater to the needs of the community and provide service to the needy rural population. The Academy also has set up an Outpatient Unit at Kolar town and conducts committed outreach service to the needy through free medical camps at taluka levels, as well as villages in remote areas.

The Academy has initiated several steps for the improvement of quality of research activities and has established linkages with institutions of repute. Genomic and Central Research Facilities. Its objective includes diagnostics and research aspects of genetic disorders. The centre consists of highly sophisticated equipments for cytogenetics and molecular diagnosis. This is one of the few medical institutions under self financing 'Deemed to be University' system, providing such facilities for diagnostics and research.
