It gives me a great pleasure and privilege to give a brief note of the R.L.Jalappa Hospital & Research Centre attached to Sri Devaraj Urs Medical College which is a constituent college of Sri Devaraj Urs Academy of Higher education & Research For the year 2016-17.

The hospital was started in the year 1994 with the humble out patient services. Subsequently inpatient services were provided from January 1995. Today I am proud to inform that the hospital has gradually grown up and is providing certain key super specialty services like urology, plastic surgery, and Neurosurgery ect. I am very glad to inform that these services are provided to the patients at affordable costs, keeping the financial position of the rural area in mind.
