## SOP for Online Examination for intermediate semester students with backlog subjects

### 1. Online Examination Application Form

The eligible students with backlog can fill their examination application online by logging into the website of the Academy ([www.sduu.ac.in/Examination](http://www.sduu.ac.in/Examination) section) and clicking the *Online Exam Registration portal*. Based on the eligibility of subjects, the system will display the amount to be paid for the exam. Fee payment can be made through digital/online mode. Upon successful payment, student will get the hall ticket, and then only the student is eligible to write the Exam.

### 2. Pattern of Theory Examinations online

- a. Uniform question paper pattern for all the Intermediate Semester examinations. For the existing question papers having more than 60 marks, it will be reduced to 60 Marks. Each paper will have one long essay question carry 10 marks, 7 short essay questions of 5 marks each and 5 short answers questions of 3 marks each. For question papers having less than 60 marks, the existing marks and pattern will be maintained.
- b. Maximum time for writing the answers for 60 marks question papers is 2 hours and an half an hour extra for uploading PDF version of answer script. For the question papers having 50 marks and lesser, time given for writing the answers is one and half hour and half an hour extra for uploading the PDF copy (Low profile PDF of size less than 20Mb).
- c. The Question Papers shall be sent through LMS of the Academy to the individual registered candidates five minutes before the commencement of examination.
- d. The students are instructed to take the print out of the answer booklet format shared by the Academy on A4 size white sheets. They are required to use only this booklet to write the answers using **black ball point pen only** within the stipulated time. It is instructed that the student shall mention the **Name of the Subject, Semester and QP Code** on the first page and **not to mention Name and Register number anywhere in the answer script**. The question numbers to be written legibly within the margin of answer sheets.
- e. **The students advised Procedure for scanning the document in “Document Scanner” app by the Student**  
The answer papers shall be arranged according to the page numbers, and use pre - downloaded *Document Scanner app* from **Google Play Store** for Scanning all the answer script pages continuously in serial order and then create PDF of all pages as single document. Save the document as PDF file and rename the document with Register number of the candidate, then the document should be sent through the LMS portal of the Academy within the stipulated time.
- f. The students should upload the saved PDF format of answer script as single document before 12.30 PM (60 marks paper) and 12.00 PM (50 marks and less paper), any submissions after the stipulated time will not be accepted.

### 3. Practical examinations

- a. The Practical examinations shall be conducted online by video conferencing/ appropriate app at the respective Departments in the existing pattern including Viva Voce examinations by the Examiners.
- b. After each day of the practical examination, all the examiners along with coordinator shall enter the marks online at Coordinator’s office. The freezed report has to be signed by the examiners and to be submitted to the Controller of examinations through proper channel in a confidential manner.

In case a student of intermediate semesters unable to appear in the examination conducted by the Academy for whatsoever the reason(s) may be, he/she shall be given an opportunity to appear in next examinations. The above provision shall be applicable only **for the current academic session 2019-20 as a one-time measure**.
